Birthweight: 80 lbs. •  
TH-Free/PHA-Free •  
Semen: \$20/unit •

Photo at  
7 months  
of age

Big-bellied, cool-fronted. Add some bone and hair to your herd.  
With a clean pedigree, you won't find one hairier or better-looking.  
Thanks to the First Class Sale for selling such a *breathtaking* individual.  
And a special thanks to Wade Rodgers Cattle Co. for all their help.  
Being collected at Nichols Cryo-Genetics in Ankeny, Iowa. See him there!
